Liturgy Committee: Joint meeting with St. Greg's. Dates for Lenten services are being scheduled along with Lenten practices during COVID. Discussed using a mailing containing these dates. Looking to do the "prayer partners" project again this year, as of now this is a work in progress.

Building & Maintenance: Wiperman's purchased the house alongside the Parish, we will include their driveway to be plowed when our lot is plowed. Knights of Columbus would like to use our Parish Hall for their Spring fundraiser. Our Bell tower requires maintenance and is quoted at \$23,000.

Window Committee Report included as insert with info/prices currently obtained. Waiting on other quotes. Oconto has a drop dead date of February 1st, to commit to purchase of their windows. Looking at a January 28th joint parish/finance council committee meeting at 6:00 to make determinations.

Religious Education: R.E. classes to be continued virtually through February. A written report provided by Patti Wilhelm was reviewed by the council.

School Hill Athletic Club/Men's Club: Chad Hemmingway presented. The yearly meeting will be held at the end of January. Due to the lower number of members, and those members not necessarily belonging to our Parish, a proposal for a 5th "position", of a Church appointed liaison, on the Athletic Club's board was presented. This 5th person would be a member of the Parish and would *Always* have full voting rights. The 5th member would be in attendance of every meeting but *could* be a different person each time, so long as they are an appointed Parish member, to maintain the tie with our Parish. A memorandum draft was submitted and reviewed by Parish council. The memorandum was approved by the Parish Council.
